

145 Eurosea 9 – Sea Scout Leaders’ Seminar at Larch Hill, Co. Dublin, Ireland, May 2008. Delegates attended from Belgium, the Czech Republic, Denmark, Germany, Finland, France, Ireland, Italy, Lithuania, the Netherlands, New Zealand, Norway, Poland, Portugal, Slovakia, Spain, Sweden, the UK and the USA.

Richard Hart said the Dockland Scout Project provided their boats for the Jamboree at the Water Activity Centre at Alton Waters. To get the boats from London Docks to the site and back was a logistical problem, taking eight return trips – a total of 3,000 miles. Gigs, sailing dinghies, canoes and safety boats were provided.

Ron Bird said that New Zealand Sea Scouts with the support of Hamburg Sud, Ports of Tauranga (NZ) and Tilbury (UK) and many others arranged to have sent two of their new fibreglass

146 A replica of the Viking longship Sea Stallion, 30 metres in length, displayed at the National Museum of Ireland, Dublin, 2008.
